# 1. Membership and Library Cards

Lumen Public Library is a fictional library system used for demonstration purposes. A library card is free for anyone who lives, works, or attends school in the City of Lumen. Residents of other communities may purchase a non-resident card for 45 dollars per year.

To obtain a card, applicants present a photo ID and proof of address such as a utility bill or lease. Children under 14 need a parent or guardian's signature. Cards expire every three years and can be renewed online or at any branch. A replacement card costs 2 dollars. Cardholders are responsible for all items borrowed on their card and should report a lost card immediately so it can be blocked.

The library operates four branches: Central, Riverside, Oakmont, and Hilltop. Central Library is open seven days a week, while the branch libraries are closed on Sundays.

## 2. Borrowing Limits and Loan Periods

Cardholders may have up to 50 items checked out at one time, including no more than 10 DVDs and 5 video games. Books, audiobooks, and music CDs are loaned for three weeks. DVDs, video games, and items from the Lucky Day collection are loaned for one week. Museum passes are loaned for three days.

Items can be renewed twice unless another patron has placed a hold on them. Renewals can be completed online, through the mobile app, by phone, or in person. Items are automatically renewed two days before the due date if no holds exist, and patrons receive a courtesy email reminder three days before the due date.

Reference materials, newspapers, and the latest issue of each magazine may be used only inside the library.

## 3. Fines, Fees and Lost Items

Since January 2022 the library no longer charges daily overdue fines on any materials. Borrowed items are still due on their due dates, and patrons with items more than 30 days overdue cannot check out additional materials until the items are returned.

An item that is 45 days overdue is considered lost, and the replacement cost plus a 5 dollar processing fee is charged to the account. If the item is later returned in good condition, the replacement cost is refunded but the processing fee is not. Accounts with unpaid charges of 25 dollars or more are blocked from borrowing.

Damaged items are assessed individually. Minor damage such as a torn page is charged at 3 dollars, while items damaged beyond use are charged at the replacement cost. Patrons may pay charges online, at any branch, or by mail.

## 4. Holds and Interlibrary Loan

Patrons may place up to 10 holds at a time on items owned by the library. When a hold is ready, the patron is notified by email or text message and the item is kept at the chosen pickup branch for 7 days. Items not collected within 7 days are returned to the shelf or passed to the next patron.

Materials not owned by Lumen Public Library can be requested through interlibrary loan for a fee of 3 dollars per request, which covers return shipping. Interlibrary loan items usually arrive within one to three weeks and are loaned for the period set by the lending library, often two to four weeks.

Interlibrary loan items cannot be renewed online; patrons must call the Reference Desk to request an extension. Textbooks published within the last year and rare materials are generally not available through interlibrary loan.

## 5. Meeting Rooms, Study Rooms and Equipment

Meeting rooms at the Central and Riverside branches seat up to 60 people and may be reserved by non-profit organizations and community groups free of charge. For-profit businesses may reserve meeting rooms for 40 dollars per hour. Reservations can be made up to 60 days in advance and must be made at least 48 hours before the meeting.

Study rooms seat two to six people and can be booked for up to two hours per day by any cardholder. The Makerspace at Central Library offers a 3D printer, a laser cutter, and sewing machines. 3D printing costs 10 cents per gram of filament, and laser cutting is 1 dollar per 10 minutes of cutting time.

Equipment such as projectors, portable Wi-Fi hotspots, and laptops may be borrowed for one week by adult cardholders in good standing.

## 6. Digital Services, Computers and Printing

Cardholders can borrow e-books, digital audiobooks, and streaming video through the library's digital collection using the Libby and Kanopy apps. Digital items return automatically, so they never incur charges. Each cardholder may borrow up to 15 digital items per month.

Public computers are available at every branch and may be used for two-hour sessions, with an extension granted if no one is waiting. Visitors without a card can obtain a one-day guest pass at the service desk. Printing costs 15 cents per page for black and white and 50 cents per page for color; scanning and faxing are free.

Free Wi-Fi is available in all branches and in the parking areas outside each building. Technology help sessions are offered every Tuesday afternoon, and patrons can book a 30-minute one-on-one appointment with a librarian for help with devices and apps.
